

How to Connect to Zoom for a Telehealth Home Visit

What you need?

1. Internet access
2. Smartphone, Laptop or Desktop with Microphone and camera

Laptop or Desktop w/ Microphone and Camera

1. Go to <https://zoom.us/join>
2. Enter Meeting ID (provided by MA/Nurse during time of visit)

Smartphone or Tablet

1. Download "Zoom Cloud Meeting" from the app store
2. Click Join a Meeting
3. Enter Meeting ID (provided by MA/Nurse during time of visit)
4. Verify device audio and video are enabled by ensuring there is not a red slash through the mute or video on the bottom of the screen.

Note: Apple products will need to enable microphone and camera for Zoom application. Go to settings > privacy > microphone or camera > enable Zoom application
