

THANK YOUR NURSE

The DAISY Award was created by the family of Patrick Barnes, in honor of Patrick, and the skillful and compassionate care he received from his nurses during his eight-week hospitalization. His family wanted to say “thank you” to nurses everywhere by establishing a recognition program – The DAISY Award For Extraordinary Nurses (The DAISY Award) – to honor the super-human work nurses do for patients and families every day.

We hope that during your visit you experienced extraordinary care from our nurses. Please take a moment to share your story with us and tell your nurse *Thank You!*
